IRIS SEED

Many requests are made annually for seed from crosses of the new things found in our gardens. Seed planted in the fall will generally germinate the following spring and bloom the spring season later.

All crosses are hand pollinated using the finest blood lines in our gardens.

Tall Bearded Seed—from pinks, oranges, new reds, and the new Chantilly lacing and ruffling.....	15 cents each
Tall bearded from all other colors.....	10 cents each
Tall Bearded x Dwarf and Intermediates.....	10 cents each
Tall Bearded x Oncobreds.....	15 cents each

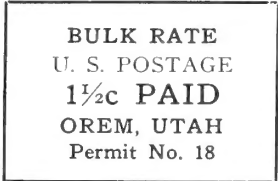

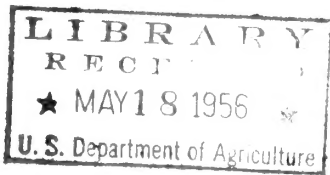

No less than 20 seeds sold per packet.
Shipments will be made in September.

Miss Utah (Wallace '56)

NEW INTRODUCTIONS -- 1956

BLUE DOLPHIN (Seedling No. 5506) Wallace

Huge sparkling powder blue oncobred, clear with no veining. Very heavy substance. This is one of the finest flowers resulting from the Snow Flurry-Capitola cross. Has two-way branching and opens 4 to 6 flowers.

T.B. 28" Early.....NET \$15.00

BLUE ENCHANTMENT (Seedling 55-1) E. Madsen

Mrs. Madsen has captured in this lovely introduction the beautiful blue hues of two truly great parents. The tall stately large proportioned flowers are ruffled and well formed with flaring parts. Truly one of the finest commanding medium blues we have seen in clumps.

T.B. 38" Midseason. (Snow Flurry x Great Lakes)
NET \$15.00

BLUE TOWER (Seedling No. 54-2) Wallace

A bewitching smooth pale blue-white self. Beards are almost blue-black, which stand out like challenging sentinels; hence, the name. The large full flaring blooms are borne on heavy 32" stalks. One of the first to start the tall bearded season. (From two seedlings.).....NET \$15.00

CLARA WALLACE (Seedling No. 55-182-1) Wallace

A sparkling medium purple or violet self with a prominent signal patch. A real eye catcher with a glittering finish and wide flaring form. Named in honor of my mother (Gudrun x Matterhorn x Self) x (Seedling 48-105; (Spindrift x Remembrance).

T. B. 32" Midseason.....NET \$15.00

ENCHANTED LACE (Seedling No. 55-64-2) Wallace

Here is one of the largest and finer peach blends finished in Chantilly lacing. Few if any lacy-ruffled types have that winsome wide flaring form and the imposing beauty combined in one as does this iris. This one will create a real sensation wherever it is grown. T. B. 36" Late.

(Centennial Queen x Chantilly).....NET \$20.00

MISS UTAH (No. 5442) (Cathedral Bells x Crosby Seedling No. 52-6) Wallace

Very pale pink self. Almost white with a suggestion of light orchid tones. Has the finest ruffling and fluting found in this class. Bright strawberry beard. Should really show well in California for the '56 Convention. Has great breeding possibilities.

Height is 36". Midseason.....NET \$20.00

YELLOW LACE (Seedling No. 55-372-2) Wallace

A brilliant golden yellow. The entire flower is ruffled and intensely laced as no other iris. The buds are terminated with beautiful whirls of lace as they start to open. The terrific laced blooms are as the fairy tale "Goldilocks" herself. This one will be a great novelty.

T.B. 36" Midseason. (Chantilly x (Midwest Gem x Hall's 42-10)).....NET \$20.00

OTHER RECENT INTRODUCTIONS

BIG UTE—1954—(Grand Canyon x (Lancaster x Three Oaks)

A huge rich blending of mahogany and burgundy red with a light suggestion of blue sheen below the beard. Falls are wide and flaring with excellent heavy substance. Standards are lightly domed. One of the finest deep reds to date. 36 inch stalks. Stock limited. H.M. '55..\$20.00 NET

BORDER PATROL—1955—(Line Breeding from Mdme Louis Aureau)

Popular choice of plicata lovers at the 1954 Convention. A large flower with heavy substance. Falls have a white ground with an overlay of black edging. Standards are a dark purple self. Very appealing. 38 inch stalks\$12.50 NET

BLUE DEBUT—1955—((Mid West Gem x Hall's 42-10) x Snowqualmie x Gold Ruffles)).

A large well formed pale blue self 6 to 6½ inches across. The parts are beautifully laced and lightly ruffled. Here we have that blue lacing factor many have been waiting for. A must! 36 inch stalks.....\$12.50 NET

CATHEDRAL BELLS—1953—(Seedling 48-9 x 48-35)

Tall, wide, light baby-ribbon pink with fluted form. Falls flare horizontally. Is producing wonderful seedlings. C.C. '51. H.M. '53..\$7.50

CENTENNIAL QUEEN—1954—(Lancaster x Three Oaks)

Large heavily ruffled, flared light blend. A rich combination of colors. 36 inch stalks\$12.50

CREAM SUPREME—1955—(Snow Flurry x Hall's 42-10)

A large lovely cream-white self. One of the finest flaring, ruffled flowers in our garden. Excellent branching. Plant in front borders. 32 inch stalks\$10.00 NET

FABIOLA—1954—(Seedling x Seedling)

A rich fiery mulberry self that does not fade. Heavy substance with ruffling. 36 inch stalks.....\$5.00

KING PINK—1953—(Kalings x Golden Madonna) x Muhl. Seedling 46-72C)

Tall huge apricot and peach. Tangerine beard. Often reaches 48-50 inches in height. For garden appeal it is unequaled. Guests in the garden frequently call back for its lovely blooms.....\$1.00

NIGHT SPLENDOR—1953—Seedling 48-59. (El Capitan x Ethiope Queen) x Seedling

A huge reddish-black self. Its thick leathery falls are the heaviest we have ever seen. The flowers flare jauntily and really take all kinds of weather. The fragrance reminds one of Concord Grapes. It has no pollen and is hard to get seed on. Late bloomer. 42 inch stalks....\$3.00

PINK CAVALIER—1955—((Hall's 42-10 x Mid West Gem) x Orange Pink Seedling)

A lovely reddish salmon-pink with a flaming strawberry red beard. Buds are of an intense red-salmon as they unfold. Wide branching on a 42 inch stalk. Flowers are 5½ to 6 inches in size. Commanding in clumps\$12.50

RED CHARM—1953—Seedling 48-89 (Action Front x Solid Mahogany)

A luscious dark red self to brighten the front of your border. A long blooming, early mid-season flower of large size. Lightly ruffled. 33 inch stalks. Should be partially shaded.....\$1.00

RUFFLED APACHE—1954—(Mid West Gem x Matula)

A huge blending of gold and red. Standards are domed golden red and the falls are a reddish blend. Standards and falls are heavily laced and ruffled. 36 inch stalks. H.M. '54.....\$12.50 NET

SPIC AND SPAN—1953—(Kalinga x Golden Madonna) x (Fort Knox x Golden Majesty)

A well branched light cream iris. A complete self with exceptionally large blooms with plenty of substance and light ruffling. A rapid increaser. C.C. '52.....\$3.00

WHITE CINDERELLA—1954—(Snow Flurry x Cloud Castle)

Tall, large light blue-white with wide heavily ruffled falls. One of the first whites to start the season. Three buds to each socket. Has a tendency to have a succession of blooms through the season. 42 inch stalks\$10.00

WHITE DIAMOND—1955—(Snow Flurry x Tall White Seedling, H. Thorpe)

Truly a pure white self of quality. Al Lauck says that this is one of the few real whites. No yellow pigment. Early, long blooming season. 32 inch stalks.....\$12.50
